Interview Summary/ Issues of Non-Responsive Amendment

 A telephone call was made to Mr. Robert Kelly on 8/17/05 in regard to the Board's Remand dated on 7/28/05. The following substance has been discussed with Mr. Kelly.

2. The amendment filed on 6/9/03 canceling all claims drawn to the elected invention (restriction dated 12/13/02) and presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03). The remaining claims are not drawn to the elected invention because the original elected claims 1-17 are directed to Fig. 5 which is using screws, and the present amended claims 1-17 are directed to Fig. 1 which is using a press-on/catch.

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.

NOTE: correction: the restriction dated 12/13/02 should have been made under the ELECTION OF SPECIES, claims 1-17, fig. 5, should have been listed as a first specie. Claims 18-24, fig. 1, should have been listed as a second specie. The restriction should

have been made because the first specie and the second specie are mutually exclusive embodiment.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jack Chiang whose telephone number is 571-272-7483. The examiner can normally be reached on Mon.-Fri. from 8:00 to 6:30.
